Synopsis

Elon Musk shared insights into the top donors for the 2020 and 2024 US presidential elections. In 2020, Trump's funding came from government entities and corporations, while Biden benefited from Big Tech contributions. The 2024 race shows a similar pattern, with Harris receiving significant support from tech giants.

Democratic presidential nominee Vice President Kamala Harris, left, and Republican presidential nominee former President Donald Trump

In less than 24 hours, the United States will head to the polls to choose its next president. Amidst the high-stakes atmosphere, billionaire [Elon Musk](#), a known Donald Trump supporter, tweeted a comparison of the top donor lists for the 2024 presidential contenders with those of the 2020 election between Joe Biden and Donald Trump.

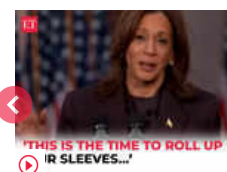

According to these lists, in 2020, Donald Trump's major donors included several government entities, including the Department of Defense, and
